

Squirt Barrier Balm Safety Data Sheet

1) Product Name and Identification

Product name	Squirt Barrier Balm
Supplier	Bikinvention2 CC
Address	121 Gladiolus Ave, Brenton on Sea, Knysna, 6570, RSA
Telephone no	(+27) 83 459 4548
Fax	(+27) 86 611 5499

2) Hazard Identification

Physical state and appearance	Yellow-brown semi-solid ointment
Hazardous components	None
Potential acute health effects	
Eyes:	May cause irritation
Skin:	May cause redness
Inhalation:	Inhalation may cause respiratory tract
Ingestion:	May cause nausea and diarrhea

3) Composition / Ingredient information

Generic Name	Barrier Cream
Synonyms	Wax emulsion
Main Ingredients	Lanolin, Glycerine, Dimethicone,

4) First Aid Measures

Eye contact	Check for and remove any contact lenses. Immediately flush eyes with plenty of water. Seek medical attention.
Skin contact	Rinse affected area with warm water and soap if reaction occurs
Note to physician	Support respiratory and cardiovascular

5) Fire Fighting Measures

9) Physical and Chemical Properties

Colour	Yellow-brown
Odour	Waxy with aromatic Tea Tree odour
Density at 20° C	0,8 - 0,9g/c m ³
Solubility in water	Insoluble
pH-value aqueous extract	N/A
Physical state at 20° C	Semi Solid

10) Stability and reactivity

Conditions to avoid	Store at temperature between 5°C and
Incompatibility with substances	Avoid contact with strong acids and
Hazardous decomposition products	Oxides of carbon (CO, CO ₂). Hydrocarbons. Silicon dioxide, Formaldehyde

11) Toxicological Information

Product has not been tested. Products of similar composition did not induce toxic

12) Ecological information

Product has not been tested. Keep away from waterways, sewers, drains, basements and

13) Disposal Considerations

Waste information	Waste must be disposed of in accordance with federal, state and local environment control
-------------------	---

Product recommendation

EWC (European Waste Catalogue)	Used waxes and greases
OECD List	Yellow waste

14) Transport Information

Flammability of the product

Not readily flammable

Unsuitable extinguishing media

None. Water may cause frothing. Do not use water jet.

Protective equipment (fire)

Approved / certified respirator or equivalent

Specific hazards

None

Additional information

Apply cold water in order to cool containers exposed to danger

This product is not controlled under any of the following classifications

DOT (United States), TDG (Canada), IMDG, IATA

Not classified as dangerous goods by IATA and IMDG

6) Accidental Release Measures

Small spill & leak	Clean up, using protective equipment. Sweep up or absorb material, place into a suitable clean, dry, closed container for disposal. Provide ventilation.
Large spill & leak	Clean up spills, using the appropriate protective equipment. Sweep up or absorb material, place into a suitable clean, dry, closed container for disposal. Provide

7) Handling and Storage

Handling	Use with adequate ventilation. Avoid contact with eyes, and clothing. Keep container tightly closed. Avoid ingestion and inhalation. Consider common hygiene measures for handling chemical substance. Keep away from heat.
Storage	Keep container tightly closed. Keep container in a cool, well-ventilated area.

8) Exposure controls / personal protection

Exposure limits (fumes)	Not Available
Engineering controls	Provide exhaust ventilation or other engineering controls to keep the airborne concentrations of vapours below their respective occupational limits. Ensure that eyewash stations and safety showers are proximal to the work station location.
Personal protective equipment	
Eyes	Safety Glasses
Body	Lab coat or overall
Respiratory	A respirator is not needed under normal and intended conditions of product
Hands	Gloves
Feet	Safety boots
Personal protection in case of large spill	Splash goggles, full suit, boots, gloves
Additional Instructions	Wash after handling

15)_ Regulatory information

HCS classification	Combustible
TSCA 8(b) inventory	Wax

16) Other Information

Although the information contained herein is presented in good faith and to the best of Bikinvent2 CC's knowledge, it is made without warranty or guarantee whatsoever.
